THEME: FIGHTING FORWARD TOWARD
JUSTICE, EQUALITY, AND CHANGE**

Keynote Speaker Texas State Representative Jasmine Crockett

State Representative Jasmine Crockett hit the ground running in the legislative session. As a freshman lawmaker going into session during a pandemic, budget shortfall, and redistricting she is preparing a robust and comprehensive legislative agenda to address kitchen table issues that have been pressing in her district since before the pandemic. Economic recovery; that includes all, fair district maps, expanding healthcare and access to the ballot box, lowering property taxes, and reforming the criminal justice and policing systems are her top priorities. Representative Jasmine Crockett earned her BA in Business Administration from Rhodes College, and her JD from University of Houston. She is licensed to practice law in Texas, Arkansas, and Federal Courts. Crockett is the past Bowie County Democratic Party Chair, holds various leadership positions within the legal community, former board member of the Dallas County Metrocare Services, and is a proud member of Delta Sigma Theta Sorority, Incorporated.
